Greetings from Jaypee Group

I may please be allowed to take your valuable time.

1) On behalf of Jaypee Group, I am approaching you to spare time to read this mail.

Kindly trust me that we are conscious of the hardship you are facing due to incomplete homes /apartments at 'Wish Town Noida' of Jaypee Infratech Limited (JIL).

2) The ongoing process for over 18 months has allowed work at snail pace but it is essential that matter gets resolved, incomplete homes are completed and delivered in a time bound manner, which alone can mitigate anguish & pain caused to you.

3) I am aware of your unhappiness yet feel responsible to share the road map which we believe would surely address your concern and can be the path which shall pave way for resolution of this subject despite certain reservations / apprehensions.

Therefore please give us an opportunity to meet you on **19<sup>th</sup> April 2019 at 11.30 AM at Auditorium of Jaypee Business School JIIT Campus Sector 62 Noida.**

4) Alongwith my colleagues , I shall like to present to you the contours of the plan , which shall ensure completion of homes, address the concerns of all stakeholders and would allow us to fulfill our obligation.

Best Regards & Thanking You
